

B'yado ~ In His Hand

* Lyrics by David Paskin

B'yado afkid, afkid ruchi.
To God's kind hand I pledge my soul.

B'eit ishan v'a'ira.
Each time I sleep, again to wake.

V'im ruchi g'viyati,
And with my soul, this body here,

ADONAI li v'lo ira.
The LORD is with me, I shall not fear.

As I lay you down to sleep
I pray to God your soul to keep
In the shelter of God's wings
May you always be a blessing.
May the angels guard your nights
May you wake in radiant light
May you shine as stars above
May you always know His love.
